

# ESAIE MOOS

A motivated, 1st year, university student, studying Mobile and Smart Technologies with a strong work ethic and working independently. Strong organisational and team collaboration skills with experience in improving processes as well as trustworthy and able to follow instructions to maintain a high work output with great accuracy and efficiency.

## Work History

○ 2021 - 2023

### Dayforce

#### Tax Operation Specialist

Accurately entered and verified data into databases, spreadsheets and other data management systems.

Conducted data quality checks to ensure consistency and completeness of records.

Maintained confidentiality and data security in handling sensitive information.

Collaborated with team members to resolve data discrepancies and ensure data integrity.

Trained and supervised new data entry personnel, ensuring they meet quality standards.

○ Achievements

#### Game Development Project

A very important project of mine at the University was to develop a fully functional PC game which was in fact a challenge but did develop my teamwork skills and problem-solving abilities.

I collaborated closely with a cross-functional team throughout the entire development cycle resulting in the successful development of our envisioned game.

○ Internship At SDWorx (2023-2024)

I acquired a versatile skill set that encompasses both development and quality assurance testing. I delved into programming languages such as C# and TypeScript, honing my proficiency in crafting efficient and scalable code. My exploration extended to web development, where I gained hands-on experience with HTML and Angular, mastering the art of building dynamic and responsive user interfaces. Simultaneously, my journey into quality assurance testing encompassed both manual and automation practices. I acquired a comprehensive understanding of manual testing methodologies, refining my ability to create robust test cases and ensure software reliability

## Fields of Interest

- Sports
- Reading
- Writing
- Playing Guitar
- Art
- Writing
- Making Music
- Drawing

## Contact
